### Used Ford Transit Installation Requirements

---

- Van must be under 100,000 miles
- Van must pass a Quigley Pre-Inspection (ask your Sales Rep for details)

### Manufacturer's Limited Material Warranty - 3rd Party Install

---

Quigley Motor Company will warranty all lift components, except for Struts and Shocks (Bilstein Shocks Follow the Bilstein Warranty), from defects in material for a period of 5 years. If parts are determined by Quigley Motor Company to be defective, Quigley will replace the part but is not responsible for install labor. Unintended use or abuse will void this warranty.

### Quigley Motor Company Lift Installation Warranty

---

Quigley Motor Company will warranty the installation of the Ford Transit Lift for a period of 3 years/36,000 miles if the installation was completed by Quigley. This is limited to the Quigley Ford Transit Lift installed parts. Unintended use or abuse will void this warranty.

### Payment Terms and Methods

---

Payment due upon completion of installation. Accepted methods of payment include: Business Check, Credit Card, ACH or Wire. For ACH and Wire instructions please email AR@quigley4x4.com. Personal checks are not accepted.
