Quigley 4x4 TERMS AND CONDITIONS

Payment Terms	Due on Completion. UNIT must be paid in full prior to Shipment/Release. 6% PA Sales tax where applicable. When paying via Credit Card an additional fee will be applied.
Freight	FOB Quigley Motor Company facility located in Manchester, PA
Shipping	Quigley has no control over the timing of OEM transportation for arrival nor delivery (Drop Ship and Ship-Thru).
Schedule	After placing an order with Quigley via a purchase Order or Signed Quote, your vehicle will be added to our tentative production schedule. Quigley does not have control over when the vehicle will arrive at Quigley. Upon unit arrival the production schedule will be confirmed along with the anticipated completion date. Quigley makes no guarantee as to completion date. Quigley Motor Company assumes no responsibility for any interest charges that may be incurred during the vehicle's pause at Quigley. For vehicles on Ship-Thru status, Quigley does not control when the vehicle will be delivered to the dealership.
Warranty	Vehicles converted to 4 wheel drive by Quigley Motor Company retain the OEM warranty on all unaltered portions of the vehicle. The 4x4 conversion on New Untitled Vehicle carries a Quigley warranty matching the OEM, 5 year/ 60,000 mile limited warranty for parts and labor on select 4x4 powertrain components. All other Quigley installed 4x4 components carries a 3 year/36,000 mile warranty for parts and labor. All Pre-Owned/ Used conversions carry a limited parts and labor warranty. The Pre-Owned/ Used Vehicle arriving with 0 – 1,000 miles carries a Quigley 5 year/60,000 mile limited warranty. This warranty is only valid for vehicles sold and operated in the U.S. Please review your warranty packet for more information or contact Quigley Motor Company for a detailed WARRANTY statement. You can fill out an online warranty registration at www.quigley4x4.com . NOTICE: OPTIONAL and ACCESSORY EQUIPMENT CARRIES THE ORIGINAL MANUFACTURERS WARRANTY ONLY.
Extended Warranty	When purchasing extended warranties either from the vehicle manufacturer or an aftermarket company, verify in writing that the extended warranty is valid for vehicles converted to the Quigley 4x4 system. The vehicle manufacturer's extended warranty covers only the factory installed components. Quigley Motors does not offer nor does it honor any form of

Quigley 4x4 TERMS AND CONDITIONS

extended warranties. Quigley units are available from Ford's ESP Program which covers non-Quigley components.

Weights

The listed weights added to each vehicle during the 4x4 installation in turn reduce the cargo capacity by said stated weights. The weights listed per vehicle are an average only. The actual weights and distribution of weights will vary depending on the type of vehicle ordered and the equipment ordered/applied on said vehicle.

*Restrictions

- **Quigley requires that all CAW chassis have no body installed when we receive them. Units arriving with body preinstalled will incur and additional \$500.00 charge.**
- The Passenger, Mid or High Roof, Single Rear Wheel, Diesel and Ecoboost 3.5L have some option limitations due to insufficient weight reserve on the front GAWR, in certain cases the Diesel unit may require the front 3-passenger bench seat to be removed. The unit will then be re-certified as a 3 passenger less vehicle. The seat, seat belts, hardware and brackets will be removed. Neither seat NOR hardware will be returned. Any seat removal, required to meet weight analysis will be a \$150.00 charge. Please contact a sale representative for more information.
- The Diesel with dual side door option is not compatible with 4x4 conversion.

Transfer Case

The Quigley system has a two speed, manual shift transfer case, consisting of 4 positions; 2WD, 4WD HI, 4WD Low and Neutral. See operating Instructions for proper use. It is recommended to always use the parking brake. BE AWARE regardless of the transmission position P,R,N,D,M (Park, Reverse, Neutral, Drive, Manual), if the 4x4 shifter is in the N (Neutral) position the van can and will roll. It is recommended to always use the parking brake.
