Quigley 4x4 Ford E-Series Cutaways:

The Quigley 4x4 conversion utilizes components standard to the E-Series cutaway chassis or standard Ford components from their F-Series model line. Quigley engineers, designs and manufactures the 4x4 system with as many Ford OE components as possible, for ease of service. All non-Quigley components purchased are new, direct from Ford or the Ford supplier. The various mounting brackets, adapters and other components are Quigley engineered and designed in accordance with SAE specifications. All of these components are manufactured in house or purchased from Quigley approved vendors. All vehicles built to U.S. standards only. **CAUTION:** the 4x4 system will raise the center of gravity; see Warranty Packet for full details

Quigley 4x4 System

¹ CAUTION: the conversion will raise the center of gravity; see Warranty Packet for full details
 * See Terms and Conditions on the back page.

Quigley 4x4 TERMS AND CONDITIONS

Payment Terms	Due on Completion. UNIT must be paid in full prior to Shipment/Release. 6% PA Sales tax where applicable. When paying via Credit Card an additional fee will be applied.
Vehicle	Quigley Motor Company policy is to convert new untitled vehicles. "Pre-owned/Used" exceptions require additional evaluation and approval prior to acceptance of the order by Quigley Motor Company.
Freight	FOB Quigley Motor Company facility located in Manchester, PA
Shipping	Quigley has no control over the timing of OEM transportation for arrival nor delivery (Drop Ship and Ship-Thru).
Schedule	After placing an order with Quigley via a purchase Order or Signed Quote, your vehicle will be added to our tentative production schedule. Quigley does not have control over when the vehicle will arrive at Quigley. Upon unit arrival the production schedule will be confirmed along with the anticipated completion date. Quigley makes no guarantee as to completion date. Quigley Motor Company assumes no responsibility for any interest charges that may be incurred during the vehicle's pause at Quigley. For vehicles on Ship-Thru status, Quigley does not control when the vehicle will be delivered to the dealership.
Warranty	Vehicles converted to 4 wheel drive by Quigley Motor Company retain the OEM warranty on all unaltered portions of the vehicle. The 4x4 conversion on New Untitled Vehicle carries a Quigley warranty matching the OEM, 5 year/60,000 mile limited warranty for parts and labor on select 4x4 powertrain components. All other Quigley installed 4x4 components carries a 3 year/36,000 mile warranty for parts and labor. All Pre-Owned/Used conversions carry a limited parts and labor warranty. The Pre-Owned/Used Vehicle arriving with 0 – 1,000 miles carries a Quigley 5 year/60,000 mile limited warranty. The Pre-Owned/Used Vehicle arriving with 1,001 – 30,000 miles carries a Quigley 2 year/24,000 mile limited warranty. The Pre-Owned/Used Vehicle arriving with 30,001 – 60,000 miles carries a Quigley 1 year/12,000 mile limited warranty for parts and labor. This warranty is only valid for vehicles sold and operated in the U.S. Please review your warranty packet for more information or contact Quigley Motor Company for a detailed WARRANTY statement. You can fill out an online warranty registration at www.quigley4x4.com . NOTICE: OPTIONAL and ACCESSORY EQUIPMENT CARRIES THE ORIGINAL MANUFACTURERS WARRANTY ONLY.
Extended Warranty	When purchasing extended warranties either from the vehicle manufacturer or an aftermarket company, verify in writing that the extended warranty is valid for vehicles converted to the Quigley 4x4 system. The vehicle manufacturer's extended warranty covers only the factory installed components. Quigley Motors does not offer nor does it honor any form of

Quigley 4x4 TERMS AND CONDITIONS

extended warranties. Quigley units are available from Ford's ESP Program which covers non-Quigley components.

Weights

The listed weights added to each vehicle during the 4x4 installation in turn reduce the cargo capacity by said stated weights. The weights listed per vehicle are an average only. The actual weights and distribution of weights will vary depending on the type of vehicle ordered and the equipment ordered/applied on said vehicle.

***Restrictions**

All E-series cutaway chassis must be ordered with the 6.8L or 7.3L engine and the 6R140 transmission and must have a wheelbase between 138"-190".

Transfer Case

Due to electronic signal variations in the computer modules between the E-Series Vans and F- Series Trucks; when the 2 speed, manual shift, transfer case is engaged in 4 wheel low (4L), the speedometer will read faster than the actual vehicle speed. DO NOT exceed a speedometer reading of 80 miles per hour while in low range.

Notice

Quigley Motor Company reserves the right to make changes at any time, without notice or obligation, in the prices, specification, delivery or material, and to change or discontinue any model without obligation. **WRITTEN QUOTES VALID FOR 60 DAYS. Changes in policy or pricing may be found at www.quigley4x4.com.**
